

# Glamourcon Seminars by Mark Daughn

**Saturday August 24, 2007:**

## **Lighting Basics- noon to 1:30 pm**

Learn to light all different facial types to get the most flattering image. Use gels and color temperature to create mood and impact in your photography.

## **Posing the Model - 1:45 to 3:15 pm**

How to get that natural, relaxed, sexy pose out of your model every time. Demonstration with Mystique and Playboy model Luana Lani.

## **Metering & Control of Light - 3:30 to 5:00 pm**

Learn powerful metering techniques to create full, dynamic range imagery. Take control of the light in your photography!

**Sunday August 25, 2007:**

## **The Ultimate Single Light Setup - noon to 1:30 pm**

Mark will show you one of his best lighting secrets - a single light setup that creates stunning imagery. This is one you don't want to miss!

## **Working With a Model - 2:00 to 3:30 pm**

Everything from the legal paperwork to creating rapport on the set. This is the mandatory information you must know to succeed as a professional photographer.

## **More Lighting Techniques - 4:00 to 5:30 pm**

Learn to use light modifiers - which one to use, when to use it, and how to use it. Discover one of the great secrets of Mark's lighting; balancing ambient light and strobe (it's not as difficult as you think.) Demonstration with Mystique and Playboy model Luana Lani.
